2. Key Business Insights

- **Revenue:** Total revenue of R\$ 15.84M across 99,441 orders demonstrates strong market presence in Brazilian e-commerce.
- **Growth:** 21% Year-over-Year revenue growth indicates healthy business expansion and increasing market share.
- **Retention Risk:** Repeat purchase rate of only 3.1% is critically low. 96.9% of customers buy once and never return — immediate retention strategy required.
- **Delivery Performance:** Average delivery time of 12 days with 8.1% late delivery rate needs operational improvement to boost customer satisfaction.
- **Customer Satisfaction:** Average review score of 4.09/5.00 indicates generally positive customer experience despite delivery concerns.
- **Top Category:** Health Beauty leads in revenue, followed by Watches Gifts and Bed Bath Table — focus marketing on these categories.

3. Top 10 Product Categories
